

Payment to a Guernsey Registered Charity

in the Calendar Year 2019 (insert year)

I, (full name) _____

of (home address) _____

confirm I have made a donation/donations to (charity name) ST. JOHN'S CHURCH

during _____ in the sum of £_____ (amount in words _____)

of which the amount qualifying for repayment to the charity is £_____ (see note 1 below).

I certify that:-

- a) the donation was made to a Guernsey Registered Charity,
- b) the donation was made from income on which I have been charged to income tax in Guernsey and tax has been paid at the individual standard rate of 20% in the year of charge in which the donation was made,
- c) the amount of the donation to the above named charity has exceeded the minimum level of £500,
- d) my total qualifying donations to all Guernsey Registered Charities during _____ (insert year) do not exceed £5,000 in aggregate (or £10,000 for a married couple),
- e) the donation was not made under a Deed of Covenant entered into prior to 1st January, 2010.

Signature _____ Date _____

Income Tax Reference No. of donor _____ Charity Registration No. CH 176

Completed forms should be handed to the charity to which the donation(s) was made, for retention by the charity.

Note 1 – If the amount of this donation means you will have made donations exceeding £5000 to a Guernsey Registered Charity, or more than one Guernsey Registered Charity in aggregate, in the above year, the total repayment will need to be restricted to £1250 (i.e. £5000 net, grossed up to £6250, at 20% = £1250)

For example, if you have already certified payments during the year amounting to £4500 and make a further donation of £1000, the certificate should show the payment of £1000 being made but only £500 would be a qualifying donation (i.e. £5000 less the £4500 already certified).
